

# Austin Hillebrecht

## Objective

Having just returned from Lifeway College of Media Arts in New Zealand, I am now looking forward to becoming part your team. I graduated top of my class due to my strong work ethics, time management skills, creativity, and excellent work quality. I recently won the New Zealand prize at the Hamburg Animation Awards 2008 for my short film The Missing Sock. I would appreciate the opportunity to continue developing my skills as a 3D artist and a film maker by joining your creative team.
